February 26, 2019

CPR Class in the Morning

**UFCU Event Center
8303 Mopac, Bldg C
Austin, TX 78759**

09:00 AM - 11:30 AM CST

This is a certified CPR and AED training as recognized by the American Heart Association.

At the end of the class, you will attain your certification in both CPR, and the operation of AED devices.

Box lunches will be provided.

Class limited to 20 students

Instructor:

Ernest Estrada is a 32 years veteran of the San Antonio Fire Department where he served as a Paramedic/Firefighter. He has been actively teaching as an American Heart Association instructor for 29 years & Red Cross Instructor for 8 years. He joined Cardio Partners in 2014 and has taught over 2,100 students for our company.

Speaker Information - Kim Morgan

Senior Property Manager

With over 20 years' experience serving the Commercial Real Estate industry, Kimberley Morgan has specialized in several areas of the industry including marketing, leasing, construction management and property management. Currently, Kimberley serves as the Senior Property Manager with Stream Realty Partners for 515 Congress Avenue, a 263,000 sq. ft high rise in the Central Business District of Austin, Texas. She has managed over 2.8 million square feet of commercial properties in total to date.

Kimberley is also a professional speaker who is passionate about focusing on property management skill sets, mentorship, leadership and teambuilding. She hopes to provide all attendees the tools needed to build and elevate the best team possible from her seminars.

She is a national dance champions in DFW Swing out. She has been a 24 Hr. Fitness instructor and trainer and was a 1st place Figure winner in a regional bodybuilding competition. Kimberley has built a notable career in her experience as a Senior Property Manager but her greatest accomplishment is being the proud parent of two college graduates, a daughter who is a high school biology teacher and her son whom will be attending Medical School this year. Full bio.
