Michael Price

Vice President

Rock Solid Paving & Coatings

Michael Price, a Texas native from Round Rock, began his career in 2007 as a plumbing apprentice and has since earned his master plumbing license. With nearly two decades of experience in residential and commercial service, maintenance, and repair, he is known for his logical, precision-driven approach to problem solving. As Vice President of Rock Solid Paving & Coatings and Rock Solid Plumbing, Michael combines field expertise with strong leadership, embracing new tools and technologies to advance the trade. His journey from apprentice to executive reflects his commitment to quality, growth, and excellence in the construction industry.

Modernization Design & Services

Presenter:

Steve Broom is a vertical transportation professional with 27 years of experience in the elevator industry, including 25 years as an elevator contractor. Starting his career in the elevator industry in the late 90's, Steve worked his way up to an executive role with a major international elevator company, gaining deep technical, operational, and leadership expertise. He now brings this experience to VDA Elevator & Escalator Consulting & Inspections, where he has spent the past two years partnering with clients to effectively manage their vertical transportation assets. His work includes equipment assessments, maintenance contract consulting, modernization planning, and helping organizations reduce risk, control costs, and improve system performance.
